From the desk of Chairman Scientific Committee

Respected Seniors & Dear Colleagues,

It gives me immense pleasure to invite you to witness of the scientific extravaganza – **“Drishticon 2019”** at Jabalpur.

I take this opportunity in presenting the scientific program in front of you. This year we have incorporated Interactive Session as **“Coffee with Dr JB on Uvea”** and **“Panel Discussion on Glaucoma” by Dr Devindra Sood**. Other regular sessions plenary lectures, Award session, Quiz, SSTC, Videos, Posters, Practice Development, Orbit & Oculoplasty, Retina & ROP, Cornea & Refractive, Ocular Trauma session etc. are also there with sufficient time for interactions.

I am quite confident that delegates will definitely be enriched scientifically and will be drenched by the hospitality of the organizing committee at Jabalpur.

I congratulate the organizing chairman Dr Atul Mishra, organizing secretary Dr Pervez Siddiqui and most importantly Dr SC Batalia sir and entire organizing team of the event for their untiring efforts and dedication to make the conference memorable.

I request you to pardon me for any unintentional omissions or errors in making the scientific program. I wish **Drishticon 2019** a great success.

Respectfully yours,

Dr Purendra Bhasin

17	Dr Shivani Bansal	Seminoma masquerading as endophthalmitis : A rare case presentation
18	Dr Pratik Mahajan	Successful outcome after intravitreal injection Anti-VEGF and lasers on follow-up for cases of aggressive posterior ROP
19	Dr Anubha Gupta	Traumatic Purtscher's retinopathy : A Rare Entity
20	Dr Aditi Dubey	Non Arteritic Anterior Ischemic Optic Neuropathy (NA-AION) – An Atypical Presentation
21	Dr Romila singh	A case report of rare disease – Leber's Congenital amaurosis
22	Dr Lilani Jaishree	Screening of Retinopathy Of Prematurity in premature infants and to assess efficacy of different treatment modalities.
23	Dr Yuri Kashiv	Visual Outcome Of Retinal Vein Occlusion Treated With Different Treatment Modalities

24	Dr Himanshu Gaikwad	Study of Incidence of Retinopathy of Prematurity and of associated risk factors in a tertiary care centre.
25	Dr Dheerendra Singh	Correlation of retinopathy of prematurity in infants with pulmonary stress factors.
26	Dr Nupur Sharma	Retrospective evaluation of the Efficacy of intravitrealranibizumab in reducing the cystoid macular edema in retinal vein occlusion.
27	Dr Anshu Boriya	To Study Correlation Of Optical Coherence Tomography And Fluorescein Angiography Findings In Diabetic Macular Edema
28	Dr Supriya Jain	Deviant Presentations of Vogt –Koyanagi-Harada Syndrome: A Clinical Case Report
29	Dr Yuri Kashiv	A Case Report Of Ischaemic CRVO With Neovascular Glaucoma With Primary Angle Closure
30	Dr Yuri Kashiv	Unusual Presentation Of Intraocular Foreign Body As A Sympathetic Ophthalmitis After 2 Months Of Trauma
31	Dr Romila Singh	A Case Report of Coat's Disease
32	Dr Prabha Chouriya	Correlation of macular parameters changes with severity of myopia using spectral domain optical coherence tomography(SDOCT)
Group 3 - Orbit and Oculoplasty		
33	Dr Gourav Chanderiya	Eyelid cysticercosis: an unusual cause of ptosis
34	Dr SHRUTI CHAUDHARY	A rare case of trauma induced Rhabdomyosarcoma.
35	Dr Awani Dubey	Management of moderate to severe Marcus Gunn syndrome by levator disinsertion and frontalis sling surgery of affected eye
36	Dr Varun Upadhyay	Common sebaceous horn at uncommon site.
37	Dr Pervez Siddiqui	Analysis of Orbital tumors in tertiary eye care center in present perspective with emphasis radiology aspect
38	Dr Dheerendra Singh	Atypical retinoblastoma:a case report
39	Dr Shikha Kudape	Orbital Apex Syndrome
40	Dr Sapna Sabnani	A case of Mikulicz disease and orbital pseudotumor.

41	Dr Shivani Bansal	Double vision in Ambient cistern Epidermoid
42	Dr Yuri Kashiv	Orbital Compartment Syndrome Following Spontaneous Forceful Sneezing
43	Dr Supriya Khare	Reconstruction of the lower eye lid with flap and free graft following excision of basal cell carcinoma : A case report.
Group 4 - Cornea and Refractive		
44	Dr Shlok O Singh	To evaluate ocular surface damage caused by pterygium by studying goblet cell morphology with the help of impression cytology and also to observe correlation of various grades and types of pterygium to changes in goblet cell morphology.
45	Dr Malvika Krishnan	Outcome of large grafts in Quiescent Corneal Pathologies
46	Dr Malvika Krishnan	ASOCT For Quantification And Outcome Of Post Cataract Descmet's Membrane Detachment Treated By Air Descemetopexy
47	Dr Shruti Kochar Maru	Spherical aberration acceptance in a presbyope its application in presbyopic laser surgery
48	Dr Ritika Agrawal	A rare reporting of Late onset corneal graft rejection.
49	Dr Apoorva Soni	A Rare Case - Iridocorneal Endothelial Syndrome (Ice) Syndrome In One Eye And Primary Open Angle Glaucoma In Other Eye
50	Dr Poorva Shrivastava	A Prospective Clinical Study To Evaluate Penetrating Keratoplasty And It's Visual Outcome.
51	Dr Parag Ramnani	To Quantify Severity Of Dry Eye Disease In An Adult Population
52	Dr Neha Singh Jat	Clinical and Demographic Profile Of Refractive Error In Pediatric Cases.
Group 5 - Others
